It is one of the best central locations for these type activities in the county.</p> <p>-- The Standards are five Williams brothers from Twin Falls, Idaho singing R&amp;B, Doo-wop, 50's-60's jazz, and their original material. They have been singing together as a group since 1994. If you missed this concert at the B&amp;G Club-you missed hearing this wonderful group</p> <p>- They did it again! Toys for all our county schools. What a lot of people do not know is that they call ahead to each school for sizes of clothes for about 20% of the student body. They bring food, Bibles, bags of hygiene items – all of that plus 2 toys per child.</p> <p>--The Mission of Hope and Operation Sharing Tennessee contribute at least half of the toys given away on the last Saturday before Christmas (see another picture and article below)</p>

In Scott County we can bring in approximately \$400 per day – but we have to have someone there ringing all day. This money is used to assist with past due utility bills all through the year. It is a very good cause—but we are having difficulty finding volunteers to take a 1 or 2 hour slot to ring the bell. If you do not have the time, or cannot stand the cold, then please assist by making a donation. You may mail it to the address on the left. We have 3 days to go and we are \$4,000 under our goal of \$15,000!!!!</p> <p>--The Toy Distribution sponsored by these two organizations along with the Unicorn Fund was on Saturday, December 18<sup>th</sup>. Because of the decrease in gift donations, the Salvation Army and Unicorn Fund spent more money this year than in the past—going over their budgets in order to provide each parent with 2 gifts per child to go under the tree—or from Santa. Last year we had 92 volunteers while only 45 were there this year. We are still trying to figure out where our volunteers were???? We needed you desperately!!!</p>
