Normally the screenings are completed before the end of December. Weather has delayed us more than once for two of our schools; however, these should be completed during the month of March. The task of follow-up telephone calls is already well underway for all the other schools. To date, 2,547 children have had screenings for dental, BMI, blood pressure, vision, hearing, and scoliosis for sixth graders only. If you receive a communication, whether it is a telephone call or a letter, please let us know the status of your child's dental care so we may update his or her record.</p>

Plans are to do it all again next year.</p> <p>--Our thanks to Rhonda Wright for making this project so successful. These kids did not pay for uniforms or a registration fee. Some of the items we have received lately are baskets, raisins, kids pjs, books, Mary Kaye samples, winter coats, paint rollers, and of course bottled drinks.</p> <p>--Shown at right are Sheriff Anthony Lay, Chief Bobby Ellis, Captain Kim Lowe, and OST Manager Bob Smith with a new shipment of Old Navy clothing for use by the male trustees. The jail has also been the recipient of water, paperback books, etc.</p> <p>--Our thanks to Jamie Cotton and the employees of the Drug Court who continue to provide transportation for the trustees coming to OST each week. This is a place where community service may be applied – and certainly appreciated.</p>
